

The child relationship you selected on the online affidavit requires the verification documents listed below.

**SEND
US**

Remember to black out Social Security numbers.

Send COPIES of your documents only, not originals. Copies are acceptable for verification purposes.

Documents Verifying Other Child Type

- Send a copy of the court mandated and filed document; must be issued by a court of competent jurisdiction.

Employee must be named as guardian. If guardianship is in your spouse's or partner's name, you must verify your current relationship with approved supporting documentation.
