- The Employee Filter may also be used to limit the shifts shown to a job title, location, etc.
- As the payroll deadline approaches, filter to the appropriate group of employees, note any that are not yet approved and contact the appropriate supervisor or project approver
- The Department HR role may also act as a back-up approver if necessary

Checking for Pending Leave Requests

- Click the TOOLS tab and choose Request Manager

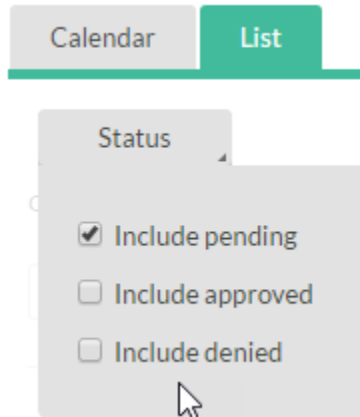

- Click the List tab

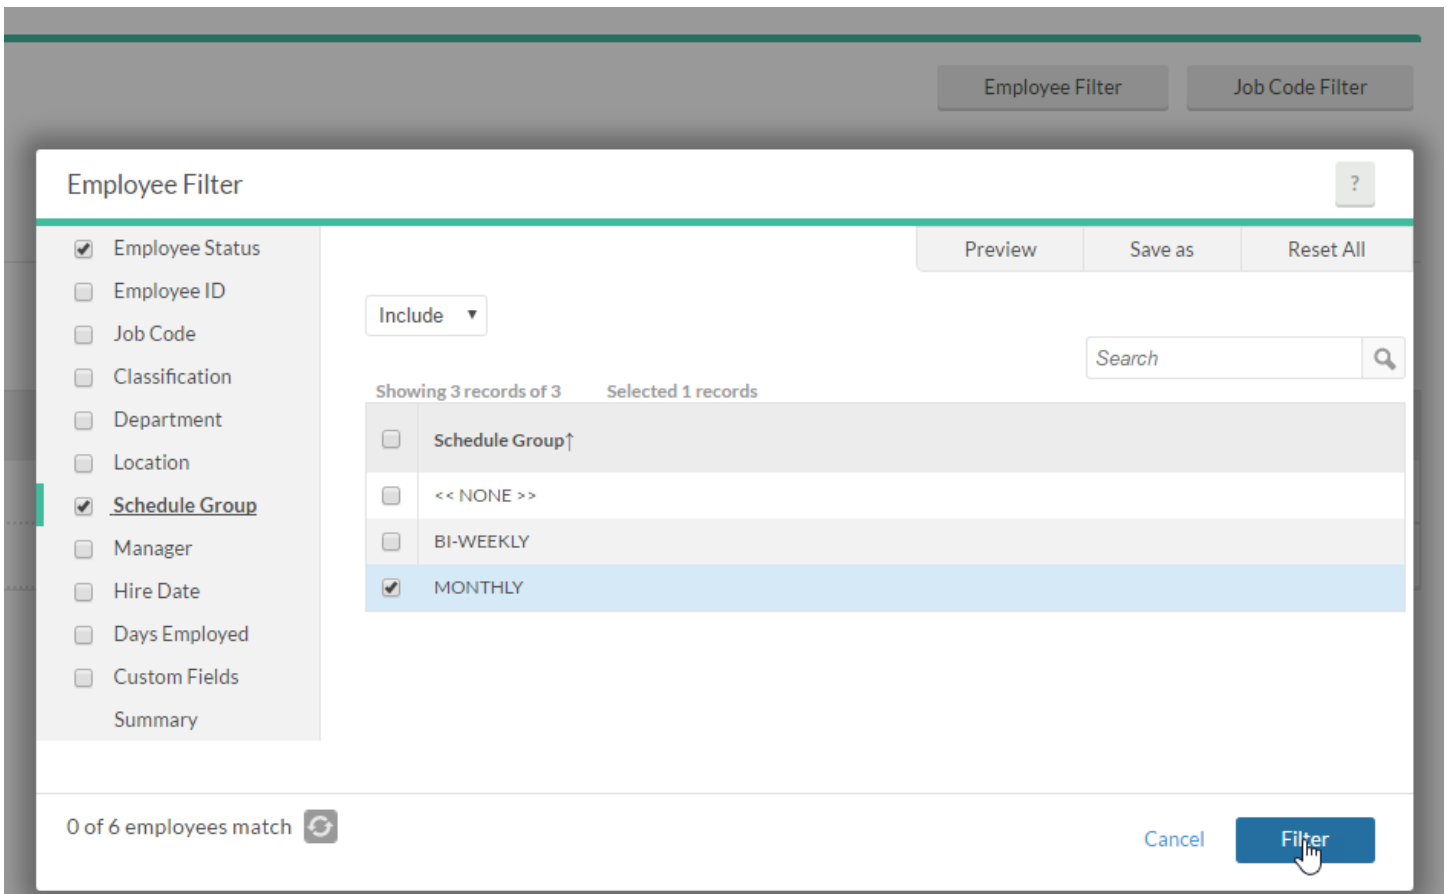

- Change the date range to the pay period start and end dates and click “Update”

- Click the Status button and uncheck “Include approved” and “Include denied”

- To see shifts for bi-weekly or monthly payroll employees only, click the Employee Filter button, click the Schedule Group checkbox, choose either “Bi-weekly” or “Monthly,” and click Filter.

- Note that all approved leave is transferred to the HR system monthly (even for bi-weekly employees), so do not filter them out when checking for pending leave requests at the end of the month
- As the payroll deadline approaches, note any leave requests that are not yet approved or denied and contact the appropriate supervisor or project approver
- The Department HR role may also act as a back-up approver if necessary

Other Closeout Tasks

- Change overtime to comp time where necessary
